### Clear Lake.

Some of the Odd Fellows failed to meet. There was a district school board meeting at the residence of the clerk. It was so late the directors and treasurer arrived and the clerk was at prayer meeting so it was nearly 8:30 ere Director D. Chockley called the meeting to order and nearly 10:30 ere they adjourned.

Mr. and Mrs. Lon Stanley spent Sunday, March 15th, with the latter's father, Mr. Speer, of Speersmore.

Mr. and Mrs. Ed Lane spent part of Saturday and Sunday with the latter's sister, Mrs. Streeter Blount.

A splendid audience at prayer meeting Saturday evening. Bro. James Stafford, leader.

Mrs. Judah Lane celebrated the 23rd anniversary of her birthday, March 13.

The drouth of last year and drying out very fast this season cause some minds to run back to the famine in Ireland in 1840 and its earlier, when thousands starved to death. We anticipate nothing of the kind since Canada can flood our country with corn, and Argentine can deluge us with corn, if we can only "raise the stake" to buy.

Quite a number of school doors are closed this week until another school year. Among the number are Blue Ribbon, Mineola, Conquest, Clear Lake and Calleyville.

Sunday School was well attended. All officers were present except Miss Bush, secretary. Miss Margaret Stanton acting in her stead.

The hour for Sunday School was changed to 2:30 p. m.

Come all who can to prayer meeting Saturday of each week.

Northeast of Bethal a barn burned, burning two mules and other stuff. The father it seems was away from home and the son was using the team when about four o'clock quit work and put the team up. A younger brother was smoking a cigarette which caused the fire and loss. Cigarettes, like many other curses, have caused lots of trouble, sorrow and entailed great losses and here is one of them. No matter who the man is he has our sympathy and regrets.

The moon has full and we hope run over and that we will get a spring. Many are wishing it would rain.

Mrs. D. W. Bush had her brother visiting her Sunday, the 15th.

Our new harness store looms up nicely.

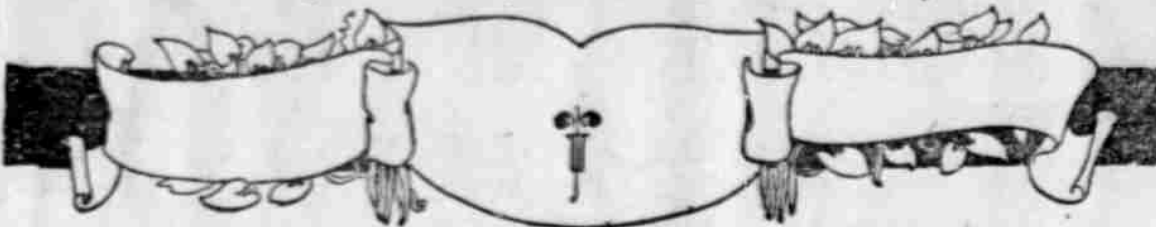

R. G. Dunlop was exhibiting some of his skill on a pair of shoes for Dady Stans.

Report has it our old-time friend, Newton Pickett, has returned.

Cecil Snell, son-in-law of T. H. Lane, left here for Wichita, where he expects to play ball this coming season. We hope him success. His wife and child expect to go in about a week or two. He entertained several of his friends the evening of the 10th, among them were Carl Snell, his brother, Ed Lane and wife and Arthur Lane. Arthur returned with his brother Ed and spent several days with him.

Our school closed its doors for the year ending June 30, 1914. Mrs. Jessie Drum had prepared a splendid program and our patrons a splendid dinner. A number of presents were distributed for regular attendance and over tardy: Clarence Giffard and his sister Ordia, John and Prudy Stafford, John Ralibourn's son. For best speller, Orin Chockley. Each pupil received a present of some kind. Our teacher made a short talk. Two of the board were present and our chairman made a splendid talk in behalf of the Board of Education. Mrs. Delbert Chockley furnished the music. The worst sand storm of the season came on while the program was in progress.

# NEIGHBORHOOD NEWS

But for all that, it was a sad but pleasant evening.

By fire, a few days ago. It seems they left some fire in the cook stove upon retiring and it is thought a coal of fire fell out in a box sitting in front of the hearth. Upon awakening in the morning they found that the fire had burned a large hole through the box and floor. It burned off one or two sleepers and had gone out. A lucky escape.

Easter will soon be here and where, oh! where, are we going to get the "dough" for our new Easter bunnies? Is the theme of thought for most of our Beaver county ladies. The echoes come back to us, where?

Some rain will be a thing badly needed if the high wind continues to prevail. While the ground still has plenty of inward moisture still the surface of the ground is getting a little dry and the farmers are just a little anxious. But let us hope needlessly.

## It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill."

I wish every suffering woman would give
